Pastor Installation:

Over a month ago, I informed you at Masses that Archbishop Listecki had appointed me your pastor.

The appointment is for a term of six years (usually renewal for another term). In the letter of appointment, the Archbishop wrote, "It is with confidence that I appoint you Pastor of Blessed Savior Parish, Milwaukee. I am pleased to entrust the faithful of this parish to your pastoral care beginning on September 15, 2017."

Regarding mission, the Archbishop goes on to say, "Your mission, like my own, is one of teaching, sanctifying, governance, and service at the parish, in collaboration with the Pastoral and Finance Councils, trustees, school, and parish leadership."

The letter also underscored the need to be connected to our school as a parish even after it transitions into the Seton system. The Archbishop wrote, "Even though your school is now in the process of being officially managed by Seton Catholic Schools, I do expect that you will continue to provide a pastoral and sacramental presence to the students and faculty. They need to experience the love and concern that a pastor can have for his parish and school."

I was delighted and encouraged by your enthusiastic applause following the announcement of the appointment at our Masses. I am also excited about this opportunity to serve as your pastor and look forward to our time together in the Lord's vineyard.

The date of my installation as pastor has been set for Sunday, November 26 at the 9am Mass. Archbishop Listecki will be performing the installation. It will be an honor for us to host the Archbishop. I know you will all be in your best behavior. The installation ceremony involves the presentation of the Pastoral and Finance Councils, the Trustees and the Staff, and the renewal of my ordination vows.

The Parish Council has formed an ad hoc committee to plan the reception. I hope you will give them all the support and cooperation they need to put together a nice reception. I also hope you will plan on attending both the installation Mass and the reception that will follow in the parish hall, even if you attended the Saturday Mass.

For the sake of those who have been asking about the difference between an administrator and a pastor, the main difference is term of office. Whereas an administrator can be moved at any time, the pastor position carries a term of office and provides better sense of stability to a parish community and the priest. Otherwise, an administrator enjoys the same rights as a pastor.

There is also a slight difference between an administrator and a temporary administrator. Whereas an administrator could serve in that position for years, temporary administrator usually involves a short term fill-in for a pastor/administrator. Sometimes, this could be for few months while the pastor is on sabbatical, sick leave, or simply absent for any number of reasons.

Temporary administrator position is also different from a help-out priest who comes to assist with Masses and other sacramental services when a pastor/administrator is on vacation or needs help. This is meant as a summary description of these positions given our limited space. Obviously, more could be said about each position, especially in relation to canon law.

Thanks for welcoming me to Blessed Savior parish and for your support of my ministry in your midst. I will need your continued acceptance and support as we embrace our spiritual journey together for the next six years.

Have a great week!

Blessed Savior Congregation, I, Police Officer, Daniel Pierce, District 7's Community Liaison Officer, want to thank you all for your continued kindness and contribution to Milwaukee Police Department District 7. Your monetary donation to the district means a great deal to us. Without the assistance and support from community stakeholders such as yourselves, our ability to put on large scale community events, like District 7's Kids & Cops in Costume, would be next to near impossible to do. It means a tremendous amount to the officers in this district to see citizens such as you give back to the community. From the bottom of my heart, thank you.

Police Officer Daniel Pierce, District 7 Community Liaison officer.

True stewardship calls us to recognize one simple yet profound truth: everything we have comes from God. Everything we "own" is really on loan from Him. This is what makes us stewards. As we grow in our understanding of true stewardship we recognize everything as a gift. Our Pledge Program for 2018 will start next weekend, November 11th & 12th. In your envelope will be a status report of what your pledge was for this year and how much you have contributed through October 31st. **Please stop in the Villard Hallway after Mass next weekend in order to pick up your Stewardship Pledge Envelope which will help us reduce the postage costs. Because of the sensitivity of the information, you cannot pick up anybody else's envelope. You can return them on Our "Commitment Weekends" which is December 2 & 3 and December 9 & 10.**
