THE POPES PRAYER INTENTION FOR JANUARY 2019

Evangelization: That young people, especially in Latin America, follow the example of Mary and respond to the call of the Lord to communicate the joy of the Gospel to the world.

GOSPEL MEDITATION - The Holy Family

"After three days they found him in the temple, sitting in the midst of the teachers, listening to them and asking them questions, and all who heard him were astounded at his understanding and his answers." As we celebrate the feast of the Holy Family, this Gospel exposes us to a strange tension. While this family is one we can look to for an example, they are not quite the same family unit as everyone else. There is an otherness to Jesus, something profound. And yet, perhaps on second thought, are our families so different?

When Mary and Joseph encountered Jesus in the temple, "they were astonished." But at what? Mary's response is surprised. They're not astonished that Jesus is preaching in a place for respected teachers. They're not astonished that their son has captured the attention of the wisest men of the time period. They're astonished at his seemingly disobedient behavior!

"Son, why have you done this to us? Your father and I have been looking for you with great anxiety. "All our children have an "otherness" about them, something that makes them unique and different. They are distinctly not "me." What will our own children become? What temple will they wander off to? Who will they astound?"

REFLECTIONS

The Feast of the Holy Family reminds us that our faith must be expressed not only in our individual lives but also in that of our families. Pope Paul VI said that one's family is the first Church that most people attend. Our families are the source of our faith and also an expression of that faith.

This does not mean that any of our families is perfect. None of them is. Sometimes it is in our acceptance of the brokenness of our families and the striving to make them better that we give our most important witness to our commitment of our faith.
