

LOVE ONE ANOTHER

THE CATHOLIC CAMPAIGN

Dear Friends in Christ,

Blessed Savior Catholic Parish is participating in Wave 3 of the Love One Another Campaign. God's guidance and unconditional love have helped us navigate recent challenges and we remain a vibrant faith community here in Milwaukee.

I am fully supportive of this

campaign in which 60 percent of what we raise will go toward meeting our own parish needs. The remaining funds will support new and expanded efforts focusing on Catholic Charities for the poor and those in need, Saint Francis de Sales Seminary, priests' retirement, and vital ministries throughout the 10 counties of southeastern Wisconsin.

Your pledge will make a significant impact within our parish, the Church, and the community. Please take a moment to review the impact of the Love One Another Campaign at Blessed Savior. I hope you embrace this wonderful opportunity and I ask you to pray for the success of the Love One Another Campaign.

Sincerely yours in Christ,

Reverend Romanus N. Nwaru
Pastor

Blessed Savior Parish MILWAUKEE, WI

Our Parish Roots:

Blessed Savior parish is comprised of four merged parishes: Corpus Christi, St. Philip Neri, Our Lady of Sorrows, and Mary, Queen of Martyrs.

The newly formed Blessed Savior parish is located on the site of the former Corpus Christi parish, renovated to incorporate elements from all four parishes. The inaugural Mass for the new parish was celebrated on July 1, 2007 by the first pastor, Fr. Gregg Chycinski. Following the retirement of Fr. Gregg, Fr. Romanus Nwaru was appointed administrator in 2016 and the second pastor of Blessed Savior parish in 2017.

The new parish operated one school with four campuses, each located on the site of the merged parishes. In preparation for a proposed takeover of the school by the Seton School System, the parish was compelled to sell the North campus in 2019. The former rectory is being utilized for residence and counseling services for the less privileged and the convent building is being used by the St. Vincent de Paul Society as a food pantry serving the neighborhood. Likewise, the former rectory and convent at the Mary, Queen of Martyr's site are used for residence and counseling services for the less privileged. As the neighborhood continues to evolve, the parish remains an endearing presence in the Northwest area of Milwaukee driven by the gospel message of discipleship, stewardship, and evangelization.

We have benefitted from the sacrifices of those who built our parish inspired by their faith and sense of stewardship. Now, it falls on us to maintain and improve these buildings we inherited. It is important to make capital improvements at our Church to continue growing our faith, mission, and ministry.

- Air Conditioning – With these funds we would like to install air conditioning in the Parish Hall.
- Video and Audio – We would like to install a new video and audio system in the Church.
- Front Sign – We would like to install an electric signboard in front of the Church.

These improvements will allow us to continue to be a vibrant beacon of God's Word.
