

If you know:

- **An elderly or disabled adult**
- **A refugee/immigrant/Spanish-speaking family**
- **A pregnant woman**

who is isolated, unable to care for themselves, and has no support, call Catholic Charities.

We can follow-up to talk with your neighbor, assess their needs, and coordinate community resources. Catholic Charities has a team of bilingual Case Workers, Pregnancy Support Workers, Refugee and Immigration Service Specialists, and licensed Therapists who are ready to help.
