

# Blessed Savior Catholic School East Campus Parent News Letter

November 11, 2020

I want to thank all the parents both in-person learning and virtual learning for your patience and understanding during this difficult time. I pray we will see an end to this virus and can go back to some kind of normal living shortly.

With Thanksgiving just around the corner, please remember that any person your child may be in contact with that is outside your family circle could expose your child to Covid. It is disheartening the number of positive cases in Wisconsin. If you are going to travel to another state or if you are going to have out of town visitors for the holiday, your child will be required quarantine for 10 days before he/she can return to school.

Starting November 16<sup>th</sup> we will be changing the door for drop off in the morning to the glass doors on 55<sup>th</sup> street otherwise known as the "Mary Doors". Our thermometers do not work in the cold. Students will be asked to step inside, please do not drive off until you are given the OK from staff.

Also, **all students in the building should have a water bottle.** The water fountains have been turned off but we do have water filling stations for water bottles.

For up to date information, make sure to check our school website at [www.blessedsaviorschool.org](http://www.blessedsaviorschool.org) or our Facebook page.

## Mark your Calendar
