

SOUTH NEWS

March 8, 2023

From Mrs. Manikham

Spring is in the air! With that our weather is different every day. Please make sure your child is ready for outside. There should not be too many days they need to stay inside for recess any longer. Our lenton season continues and next week we will begin our prayer service series on the Stations of the Cross. We will take two weeks to focus on each of the 14 Stations that lead up to Jesus' death and resurrection.

Enrollment

Enrollment continues for the month of March. March 20 is the last day. All students who complete enrollment in March receive 4 casual dress passes and enter into our drawing on March 31 for 5 more Gift Certificates. Any family who brings in a new family to register should speak with Ms. Kasten, they will receive a gift card as soon as the new family is completely registered for next year.

Congratulations

As our season winds down a huge shout out to our 5th grade boys and our girls for taking first place in their season. Eighth grade boys continue into March as they begin the Padre tournament this weekend. GOOD LUCK!

Do not forget to return your permission slips for the Seal a Smile program.
