**Heart Challenge  
West Campus March 1, 2019**

The West campus celebrated their healthy hearts by jumping rope and playing basketball for a great cause. The Student Council sponsored event raised \$2,000.00 for the American Heart Association. Students in grades K-4 spent the morning jumping rope to raise awareness about heart disease. Students in grades 5-8 participated in a friendly basketball tournament. The day ended with some of the staff becoming human hot dogs and being covered in ketchup and mustard. Special recognition goes to Cassidy Stewart, who raised the most money and will be given the opportunity to be "Principal for the Day" at the West Campus.

**8<sup>th</sup> Grade Boys Invited  
to the Padre Serra Tournament**

It wouldn't be a Padre Serra Tournament without a showing from Blessed Savior.

Blessed Savior advanced from the first round beating St. Elizabeth Ann Seton, Sheboygan 36-26. Our luck ran out in the second round losing to St. Joseph Academy – Kenosha. We would like to give a big THANKS to Coach Stewart, Keunn Bellinger, Colin Steele, Kanie Williams, Malik Hill, and Savion Heaston for all their efforts.

**Wisconsin Forward Testing**

We have begun the state mandated proficiency test, the Wisconsin Forward. Students in grade 3, 5 and 7 will be tested in ELA (Reading, Language Arts and Writing) and Math. Grades 4 and 8 will be tested in ELA, Math, Science and Social Studies. It is important that our students do well on these tests. We have been preparing our students for this test all school year. This test will be reported on next year's state report card.
