BLESSED SAVIOR CATHOLIC SCHOOL IMPROVES TO 4 STARS

DPI Report Card

Blessed Savior Catholic School was awarded a 4-star rating from the state for its academic performance and student achievement. This is an improvement from last year's 3-star rating. Blessed Savior earned the second highest rating of "exceeds expectations," according to the annual report card issued November 12th by the Department of Public Instruction. The school earned recognition for student achievement, school growth, language and math achievements, and attendance.

The schools rating score of 78.6 is an increase from 69.4 last year. This in part is due to the endless work by the pastor, principals and teachers during the 2017-2018 school year.

Soles for Catholic Education

Blessed Savior surpassed its goal of \$2,500 this year as a raising commitment for the "Soles for Catholic Education" walk on October 20th. We raised over \$3,000 with the help of our parish, school families, and other donations. All proceeds will help fund future fields trips for all three campuses.

The Weather Out There is Frightful

The three campuses of Blessed Savior would like to thank the parishoners for their unending support and for the delightful hat and mittens. Many of our students do not come to school with warm outside clothing for recess. Your generous donations to our campuses help the children enjoy the outside during these cold days.
