School Wide Focus: Every month we focus on new skills as a school. We identify qualifying behaviors that are aligned and acceptable as we practice to be more like Christ.

Catholic Social Teaching Focus: Option for the Poor; join our efforts in bringing in can goods for our food drive.

Faith Focus: Joy; "May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit." —**Romans 15:13**

School Rule Focus: Role Models in the Hallways; be responsible, respectful and safe.

Leadership Focus: Put first things first-I spend time on things that are most important. This means I say no to things that are not right. I set priorities, make a schedule, and follow my plan. I am disciplined and organized.

Food Drive- Our student council members are beginning our annual food drive. The food collected is donated to the Hunger Task Force. The food will be collected in the classroom for students and in the office for parents who would like to donate. Thank you for helping us with our mission.

Christmas Celebration- As you know, we do not have a music director this year. Therefore, the annual music program will be in the form of a Holiday Parent/Student/Staff Celebration. This will occur on December 21st and more details will come out next week. However, please put this date on your calendar, as we would like all parent/student/and staff participation to make it a joyous occasion and community building experience.

December 11th- Students are invited to bring money to school and shop for small gifts for their loved ones. Parents are invited to stop in as well. A flyer will go home with more details.

Thank you, Mrs. Pope-Principal
